Liquid Courage Consultants provides fast, reliable and professional support for all your **liquor licensing, zoning, business compliance and registration needs**. We handle everything — liquor licence applications (tavern, restaurant, distribution, events), zoning certificates, GIS assessments, consent use, rezoning, municipal approvals, CIPC updates, beneficial ownership declarations, director amendments, annual returns, SARS matters, importer's codes, business plans and floor plans.

Our team manages the full process from start to finish, engages with municipalities and licensing boards on your behalf, and ensures your documents are accurate, compliant and submitted without delays.

We simplify the admin. We secure your compliance. We support your growth.

Service Packages

1.1 Essentials

Description: Consultation with a Specialist for application advice, a document checklist, and a step-by step guide.

Turnaround Time: 3–5 working days

Base Fee: R3,500.00

Consultation, checklist, and step-by-step guidance.
Choose this option if you are confident you can handle the application on your own.

1.2 Done-For-You

Description: Zoning Certification, full application preparation, lodgement of application and submission of proof of lodgement (no follow-ups).

Turnaround Time: 3–4 weeks (application prep) + 5-10 months for licence issuing
